

## Guided Bike Tour: « *Paris en Seine* »

During this guided tour you will discover Paris **along the river Seine**, classified by **UNESCO as a world cultural heritage site since 1991**; experience history, culture and romance along the legendary riverbanks of the most famous city in the world.

We start on the **right bank** of the river Seine, pass the Pont Marie and **discover Paris** through its backstreet and across the bridges that link it all together; each one with a unique story to tell.

From the **Notre-Dame Cathedral up to the Eiffel tower**, from the Chaillot-palace to the Louvre-palace... during several stops on prestigious bridges your professional guide will show you the **most beautiful perspectives** on impressive monuments...
