

## Guided Bike Tour: « *Paris Eternel* »

The goal of this visit is to be charmed. And you will be when you discover **historic and contemporary** Paris by bicycle with your professional guide. Starting out from the **futuristic surroundings of Beaubourg**, explore the reputable **and now-in-style Marais district**, home to one of the most beautiful spots in Paris: **Place des Vosges**.

A typically delicious coffee awaits you at one of the oldest covered markets in Paris. Your professional guide brings you up to date on the recent **scandals of the Buren Columns** and **the Louvre Pyramid** before taking you to where the Celts first settled, **the legendary Heart of Paris**: l'Île de la Cité. Then take in Notre Dame on your way to Île St. Louis - and all its hidden secrets...
