

Guided bike tour and food-tasting: *“A taste of Paris”*

Experience Paris in the most authentic Parisian way: by bicycle. In a friendly-size group, your guide leads you to a **typical Parisian market** and opens your appetite as you follow her through the picturesque alleyways of the ‘faubourgs’ to the ancient inner walls of the city and the **sweet and salty delicacies** that you hunger for. The mood is set to explore the **trendy Marais district and ‘La rue de la Lappe’**: paradise for those who never sleep. Turn the corner and follow the Viaduct des Arts, predecessor of the High Line of New York. As with every first dance... we’re off to **l’Opéra Bastille!** From the ancient to the contemporary, with an incomparable view of Notre-Dame, families and couples celebrate all that is Paris.
