

YOUTH HOSTEL LULTZHAUSEN

Relax and enjoy the water as well as the varied biodiversity at the Upper Sûre nature park! The beautiful landscape boasts hills and mounds, densely wooded valleys as well as the well-known lake. The charming village of Lultzhausen is situated next to the lake with a bathing area and spectacular waterside promenades. Be enchanted by the region and its youth hostel and enjoy the special holiday feeling.

The youth hostel

The youth hostel captivates through its unique location in the heart of the nature park next to the reservoir lake. 111 beds are disposed in 30 rooms with two to five beds. Group activities and children's birthdays are available on request. A large conference room as well as two class rooms and three meeting facilities are available for productive meetings. The canoe, kayak and SUP rental station welcomes its guests when the weather permits it. When the weather does not cooperate, why not enjoy the in-house indoor play area? The in-house restaurant 'Melting Pot' serves menus as well as fresh and regional specialties on a daily basis, upon reservation. When the sun shines, the terrace is the place to be to enjoy the view and relax.

Leisure

If you enjoy nature, the region of the 'Éislek', located in the Luxembourg Ardennes is the right place for you. Our youth hostel is situated in this region, in the heart of the Upper Sûre nature park, next to the reservoir lake with its beautiful and varied plants and animals. Numerous hiking trails such as the sculpture trail or the 'Tour du Lac' circular walk are situated around the reservoir lake and can be discovered on foot or by bike. The youth hostel also supplies a canoe, kayak and SUP rental station for the water sports enthusiasts. It is also the ideal starting point for swimmers. If the weather turns bad, the in-house indoor play area is a good alternative. Just a few kilometres located away from this oasis of peace lies the romantic village of Esch-sur-Sûre with its castle ruins, cloth mill and exhibition about the nature park. Be sure to include into your holiday programme a side trip to the Burfelt Forest Discovery Centre in Insborn and a tour on the solar boat. More information about the activities: www.visit-eislek.lu
