

« *Electric Paris* »

OUR HIGHLIGHTS TOUR WITH E-BIKES

Experience and explore by E-bike the world-renowned monuments and hidden charms of Paris: All in 3 hours.

With little effort enjoy the right bank of the Seine, the majesty of Place de la Concorde and the Champs-Élysées. Explore the left bank, the understated intimacy and simple beauty of the Latin Quarter as you come upon the pétanque players hidden away in their arena of Roman times. Around every corner there's another of the thousand-and-one stories of the world's most beautiful city.
