Star attractions tour

Follow our guide to discover Rouen, the capital of Normandy.

Meeting a city means discovering its most beautiful treasures and savouring its history !Have you already heard about Rotomagus ? Did you know the cathedral Notre-Dame de Rouen used to be the highest building in the whole world? Or, that until the 70s, the real place where Joan of Arc was burned was... a restroom ? That she wasn't sentenced to death in the first place ? Since the 13th Century, The Big Clock has spanned over a medieval street of great charm, one of the first pedestrian area in France.

Price : 13€

MAX : 30 PAX

Thursday, June 26, 2025

From 10 am until 12 am

Meeting point : Cathedral Square – Rouen

Stroll through the streets that marked the masters of Impressionism and admire the works at the Musée des Beaux-Arts.

A land of inspiration and experimentation, Rouen has attracted numerous artists in search of new subjects. Monet transformed the Cathedral into an artistic icon, Pissarro was fascinated by the booming industry, while Gauguin turned to nature and his family.

Accompanied by a guide, walk in their footsteps and discover Rouen through their canvases before admiring the Impressionist masterpieces of the Musée des Beaux-Arts, the largest collection after Paris.

Price : 13€

MAX : 30 PAX

From 2:30 pm until 4pm

Meeting point : 7 Rue Saint Romain – Rouen

The Joan of Arc Historial

Follow the show-tour especially made to introduce you the era of our hero. Get into the darkness and take a look at the alive stone walls ! Be the actor and judge of the most famous investigation of the history of Rouen !

You will discover the Etats room and the luminous Aubigné's Chapel* of the archbishopric.
